About The Granville Group, Inc

The Granville Group, Inc. is a small, women-owned general contracting firm based in Northwest Florida, proudly serving the commercial, government, and industrial sectors. We deliver high-quality results on government construction projects by utilizing a reliable network of skilled subcontractors, built through strong community relationships, to execute projects efficiently and meet the unique demands of federal clients. Specializing in full-service construction, including project management, planning, and design, we are committed to completing projects on time and within budget while maintaining integrity, transparency, and trust throughout every phase of construction. Our strict adherence to best practices and regulatory standards allows us to positively impact the communities we serve and foster strong, lasting relationships with our clients and project teams.

Past Performance

Florida Forest Service:
- Install SPO20 Rotary Lift, 2025
- Four Well Tank Houses, 2025
- Pole Barn OHV, 2025

Florida Depart. of Agriculture and Consumer Services:
- Road Material, 2025

Our Differentiators

We leverage long standing relationships across Northwest Florida to assemble skilled subcontractors and vendors we know and trust.

As a woman-owned small business, our leadership team is directly involved in every project, ensuring accountability, quality, and personal attention.

We balance quality and cost-effectiveness, applying a small-business perspective that keeps projects efficient, on time, and ensures clients receive the best value without comprise.

Our Leadership team has over 15 years experience working together, bringing consistency, and a proven track record of successfully delivering projects.
